

YASMINE DALY

IT ENGINEERING STUDENT

SUMMARY

Dedicated and motivated third year computer science student at Esprit, consistently finishes projects under budget and ahead of schedule. Equipped with strong attention to detail and ability to recognize potential issues before problems occur. Highly alert while performing job tasks and determined problem-solver.

EDUCATION

Sep 2015 - Jun 2019

- Pioneer School of Gafsa

Sep 2019 - Present

- The Private Higher School of Engineering and Technology

ACADAMIC PROJECTS

Integrated Development Project "GameHex"

- We created an e-sports application with 3 client Java, Web and mobile (Front Office + Back Office) while ensuring communication between them through a common mysql database.
 - Sprint Java/ JavaFX: Create desktop application.
 - Sprit Web: Develop WEB application with Symfony 4.
 - Sprit Mobile: Create and navigate between Code Name One Mobile App GUIs.

Desktop application "Smart Chess Club"

- Using the Qt framework and C++ library classes, we created a desktop application for managing chess clubs with different smart aspects using Arduino.

Website development "Health and well-being"

- Using PHP/JavaScript we put in place a solution to the sick, a platform where they can order medicines online as we provided a teleconsultation service.

2D Video Game "Peace & War"

- Using SDL as a across-platform development library and C as a programming language, we developed a 2D video game.

ASSOCIATIVE PROJECTS

Training Branch manager at ACM (Association for Computing Machinery)

Sep 2021- Present

Member of IEEE (Institute of Electrical and Electronics Engineers)

Sep 2019 - Present
