Tessnime kabbous

Software Engineering Etudent

I am a software engineering student, I have developed strong skills in SpringBoot, Angular, JavaScript and Symfony. Moreover, I gained a year of experience.

EDUCATION

A software engineering student

Ecole Sup Privée d'Ingénierie et de Technologies (Esprit)

09/2021 - Present

Tunisia

Scientific preparatory diploma

Faculté des sciences de Sfax (FSS)

2019 - 2021

Courses

- Physics chemical

Bachelor's degree

Beni khair high school

Courses

- Mathematics

PROJECTS

E-Commerce web Application (01/2023 - Present)

- Developed a web application that allows customers to buy products online using SpringBoot, Angular 15
- Angular provides the front-end framework, enabling interactive and responsive user interfaces, while Spring Boot provides the back-end framework for handling business logic, data storage, and integration with other e-commerce systems. This combination provides a flexible and scalable platform for businesses to sell products online and manage the sales process.
- Used advanced functionalities to ensure progress towards the Sustainable Development Goals SDGs.
- Key words: Java, SpringBoot, Spring security, Angular, REST APIs, MySQL, TypeScript, Git, StarUML, Figma

Medical appointment app (09/2022 - 12/2022)

- A medical appointment app built with Symfony 5, and JavaFX which is a desktop application designed to help patients schedule and manage appointments with healthcare providers.
- Key words: Php, Symfony, Java FX, Scene Builder, JavaScript, MySQL, Git

C programming Project (Smart Esprit) (10/2021 - 01/2022)

- Smart Esprit is used to automate the management of the household and the restaurant for the management of Esprit also the collection of data through different types of sensors to display statistics or alerts.

INTERNSHIPS

Web development intern

ZATEX StartUp

06/2022 - 08/2022

ZATEX's electronic gauging systems for gas stations and fuel dispensers improve the company's performance.

Tunisie

Achievements/Tasks

- Designed and developed responsive website using HTML, CSS, Javascript

CERTIFICATES

L'essentiel de JavaScript
